The 2027 Toyota Hilux Double Cab Pickup VX-V combines strong V6 petrol performance, premium features, and dependable four-wheel-drive capability. It is powered by a 4.0L six-cylinder DOHC petrol engine with Dual VVT-i, producing 235 HP and 38.3 kg-m of torque. A 6-speed automatic transmission and part-time 4WD system with rear differential lock provide control across varied roads and challenging terrain. With five seats and a versatile J-deck, the Hilux VX-V suits family travel, business, demanding work, and recreational use. Its durable construction and cargo area support everyday pickup practicality on different road conditions.

The exterior features LED headlamps, daytime running lights, a rear fog lamp, chrome-painted grille, colour-keyed bumpers, painted door handles, and power mirrors. Side steps add utility. The body measures 5,320 mm long, 1,855 mm wide, and 1,795 mm high, with a 3,085 mm wheelbase and 312 mm ground clearance. Its J-deck with guard frame measures 2,315 x 1,575 x 480 mm. Inside, the five-seat cabin features superior fabric seats, a centre armrest with cup holder, a soft-lid console box, driver seat adjustment, rear headrests, an electrochromic mirror, sun visors, and a steering wheel with controls. Automatic air conditioning with rear ducts, power windows, power door locks, and smart keyless entry enhance comfort.

The Hilux VX-V cabin includes a 12.3-inch Display Audio system with Apple CarPlay, Android Auto, AM/FM radio, and eight speakers. Push-button starting, power steering with tilt and telescopic adjustment, and cruise control support operation. Safety equipment includes driver, passenger and knee airbags, ABS with Electronic Brakeforce Distribution and Brake Assist, Vehicle Stability Control, Hill-Start Assist Control, and Trailer Sway Control. Additional features include blind spot monitoring, tyre pressure monitoring, an anti-theft immobiliser, rear camera, panoramic view monitor, digital rear-view mirror, and front and rear parking sensors. Ventilated disc brakes provide stopping power, while independent front coil springs and a rigid rear leaf-spring setup support the suspension. Kerb weight is 1,980–2,055 kg and gross vehicle weight is 2,866 kg. Overall, the 2027 Toyota Hilux VX-V delivers five-seat comfort, V6 petrol power, automatic transmission convenience, and capable 4WD performance for driving.
