RANGE ROVER VELAR
R-DYNAMIC D200 2.0L AWD AT

R DYNAMIC

The Range Rover Velar D200 is a luxury SUV produced by Land Rover. The "D200" in the name refers to the engine, which is a 2.0-liter, 4-cylinder turbocharged diesel engine that produces 200 horsepower and 317 lb-ft of torque. The Velar D200 comes with an 8-speed automatic transmission and all-wheel drive, and it can accelerate from 0 to 60 mph in around 7.8 seconds. The vehicle has a top speed of 135 mph.

In terms of features, the Velar D200 comes with a range of advanced technologies, including a 12.3-inch digital instrument cluster, a 10-inch touchscreen infotainment system, adaptive cruise control, lane departure warning, and automatic emergency braking. The vehicle also features a stylish and luxurious interior, with premium materials and comfortable seating for up to five passengers.
