SAHARA MOTORS GROUP

The 2025 Toyota Land Cruiser 300 GX V6 3.3L Diesel is the ultimate combination of durability, power, and purpose-built design. Crafted for drivers who need a dependable SUV both off-road and on the highway, it features a 3.3L twin-turbo diesel V6 engine producing 302 horsepower and 71 kg-m of torque, ideal for towing, rough terrain, and long-distance performance. On the outside, its bold styling commands attention with colour-keyed bumpers, black outer mirrors with LED indicators, and a robust radiator grille finished in black and chrome. LED headlamps, daytime running lights, fog lamps, and a rear spoiler complete the modern utility look. Heavy-duty underbody protection and a full-time 4WD system with differential locks ensure it's prepared for anything from desert trails to wet, rocky climbs. With 17-inch steel wheels, a pintle hook, and mudguards, this Land Cruiser 300 GX is built to thrive anywhere.

Inside the Land Cruiser 300 GX, rugged capability meets thoughtful comfort. The cabin is spacious, functional, and designed for everyday usability and long-distance travel alike. Its 7-seater layout includes reclining third-row seats with manual folding, offering impressive cargo flexibility. Front bucket seats are manually adjustable for height and recline, while the second and third rows are designed with comfort in mind, even for extended journeys. Automatic climate control with separate controls for the front left and right, along with rear auto A/C, ensures a pleasant temperature throughout the cabin. Passengers benefit from multiple DC12V outlets and USB chargers, while the driver enjoys easy access to the 8" Display Audio system, Bluetooth hands-free, and a multi-information TFT screen. Smart Entry and Push Start provide added convenience, and features like the overhead console, illuminated entry system, cool box, and rear luggage lamp.

Toyota's legacy of reliability and safety is on full display in the 2025 Land Cruiser 300 GX. This SUV is loaded with advanced safety and stability features, including ABS, Brake Assist, Vehicle Stability Control, Hill-start Assist, Trailer Sway Control, and Active Traction Control, ensuring confident handling on any surface. Front, passenger, and knee airbags offer core impact protection, while a fire extinguisher, emergency stop signal, tyre pressure warning, and child restraint systems provide peace of mind in every scenario. The electronic parking brake, rear fog lamps, and high-mount stop lamp enhance visibility and control. Comfort doesn't take a backseat either: you'll enjoy features like cruise control, a leather steering wheel with audio and voice controls, power windows with jam protection, and tilt-and-telescopic steering. The Land Cruiser 300 GX is the perfect choice for families, adventurers, and professionals alike.
