SAHARA MOTORS DUBAI

The 2026 Toyota Coaster High Roof 4.0L Diesel 22-Seater Manual is a dependable commercial bus designed for passenger transport, school services, tourism, hotel shuttles, employee transportation, and daily operations. Powered by the N04C-VQ 4.0L four-cylinder diesel engine, it produces 126 HP and meets Euro 4 emission standards. Its five-speed manual transmission and 4X2 drive system provide reliable control, while leaf suspension at both ends supports durability and stability. Disc front brakes, drum rear brakes, power steering, ABS, and a 95-liter fuel tank enhance reliable daily operation overall.

Inside, the 2026 Toyota Coaster High Roof provides seating for 22 passengers with durable fabric seat material and high-back rear seating. Driver and passenger seating features a mid-back design, while three-point seat belts are provided for all occupants. The cabin includes a rear heater with two manual vents, digital clock, PVC sun visors, vinyl floor mats, room lamp, inner rear-view mirror, curtains, luggage rack, cool box, portable refrigerator, and rear under mirror. An AM/FM/CD audio system with USB, AUX, MP3, microphone, amplifier, and four speakers provides convenient entertainment for comfortable and convenient long-distance passenger travel throughout every day.

The exterior is equipped for practical export and passenger-service requirements, featuring 250/17 R17.5 tubeless tyres, a floor-mounted spare wheel, automatic side doors, and automatic center and rear side doors with buzzer and warning lamp. It also includes green laminated front windshield glass, outside rear-view mirrors, rear fog lamp, rear window defogger, front and rear wipers, luggage door, rear under mirror, and tyre pressure warning. Safety equipment includes driver and passenger airbags, ABS, three-point seat belts for all occupants, and practical visibility features, making the Coaster a capable choice for dependable transportation in demanding GCC operating conditions and daily operations.
