SAHARA MOTORS DUBAI

The 2026 Toyota Prado TXL 2.4L Petrol 4WD is a robust and versatile seven-seater SUV designed for both urban and off-road adventures. With its powerful 2.4-liter petrol engine and smooth automatic transmission, it offers an impressive blend of performance and comfort. The vehicle features a spacious and well-appointed interior, ensuring ample room for passengers and cargo alike. Advanced safety features and modern technology enhance the driving experience, making it a reliable choice for families and adventure seekers. Its 4WD capability ensures that it can handle various terrains, while the stylish exterior design adds a touch of sophistication.

The 2026 Toyota Prado TXL is powered by a 2.4L turbocharged 4-cylinder engine, delivering an impressive maximum output of 267 horsepower at 6000 RPM and a robust torque of 430 Nm between 1700 and 3600 RPM. It features an 8-speed automatic transmission, ensuring smooth gear shifts. With full-time 4WD capability and a transfer case that allows for both high and low ranges, the Prado is built for various terrains. A central differential lock enhances its off-road performance. The vehicle is equipped with a 110-liter fuel tank, offering a fuel consumption rate of 10.6 km/L. It comfortably accommodates up to seven passengers, including the driver, and rides on 265/65R18 tires. The dimensions of the Prado are 4930 mm in length, 1980 mm in width, and 1984 mm in height, making it both spacious and commanding on the road.

The 2026 Toyota Prado TXL boasts an array of impressive features designed for comfort and convenience. It comes with 18-inch alloy wheels, LED headlights featuring a rectangular design, and LED daytime running lights (DRL) alongside front fog lamps for enhanced visibility. The sleek silver front grille, body-colored side view mirrors with TSL, power auto retractable mirrors, and body-colored door handles contribute to its stylish appearance. Practical elements like side steps and mud guards offer added utility. Inside, the cabin is furnished with durable fabric seats, manual adjustments for the driver and passenger seats, and a urethane steering wheel equipped with controls for added convenience. A 7-inch multi-information display and an 8-inch display audio touchscreen provide access to infotainment features, including USB-C ports and Apple CarPlay. The vehicle is equipped with a front dual automatic air conditioning system and rear auto A/C, ensuring comfort for all passengers.
