**The Staria is the perfect vehicle for families looking for a reasonable range. The standard safety equipment includes six airbags, traction and stability control, adaptive cruise control, blind-spot assistant, lane-keeping assistant and surround-view cameras.**

Prepare to set off on a new adventure into the ground-breaking STARIA space, where you will travel in the utmost comfort, savor the pleasure of face-to-face interaction, and spend moments that will improve your life. The options in this area are as diverse as the owners' various lives. For STARIA, it's one modest step, but for MPV mobility, it's a tremendous leap.
