# **TOYOTA** FORTUNER

VXR LIMITED V6 4.0L PETROL AUTOMATIC

*The 2024 Toyota Fortuner VXR Limited is a feature-packed SUV designed to provide a comfortable and luxurious driving experience. Its powerful 4.0-liter V6 engine delivers 235 horsepower and 38.3 kgm of torque, ensuring impressive performance on and off the road. The engine is equipped with advanced technologies such as Dual VVTi and EFI, enabling efficient fuel consumption while meeting Euro 4 emission standards. The 2024 Toyota Fortuner Limited combines power, comfort, and advanced features to offer a premium driving experience for those seeking a versatile and capable SUV.*

***The exterior of the Fortuner Limited features stylish 18-inch alloy wheels with a spare wheel also made of alloy. The vehicle is equipped with a 12V air compressor for convenient inflation of tires. At the front, the glossy black and chrome grille adds a touch of elegance, while the LED daytime running lights enhance visibility and safety.***

*Inside the cabin, the Fortuner Limited offers a range of premium features. The 8-inch navigation system provides intuitive control and helps you find your way effortlessly. The auto up/down jam protection feature is available on all seats, ensuring convenience for all passengers. The leather seats are not only comfortable but also ventilated for added comfort during long drives. The vehicle is equipped with various safety features, including a blind spot monitor that alerts the driver to vehicles in the blind spot area. It also features rear cross-traffic alert, enhancing safety during reversing maneuvers.*

*The panoramic view monitor, using rear-view cameras, provides the view of the surroundings, making parking and maneuvering easier. Additional features of the Fortuner Limited include a power back door with a kick sensor for easy opening and closing, LED fog lamps and front personal lamp for enhanced visibility, and a rear seat entertainment system for passenger entertainment. The smart entry system with push-button start allows for convenient access to the vehicle, while the leather and wood steering wheel with paddle shifters adds a touch of luxury.*
