Executive

Experience the epitome of luxury and comfort with the Lexus TX350 Executive 6 Seater. With its powerful 2.4-litre turbo gas engine, thematic ambient illumination, semi aniline leather seats, and a host of advanced features like the 12.3" multi-information display and panoramic view monitor, this SUV redefines executive travel. This exceptional SUV not only boasts a powerful 2.4-litre turbo gas engine and a range of advanced features, but it also offers the convenience and comfort of 2nd-row captain seats. With its exquisite design, cutting-edge technology, and spacious interior, the TX350 Executive 6 Seater provides a first-class driving and riding experience for the discerning driver and their passengers.

With its impressive 2.4-litre turbo gas engine, intercooled and turbocharged for maximum performance, this TX350 SUV is a testament to Lexus' commitment to excellence. Let's delve into the remarkable features that make the Lexus TX350 Executive 6-Seater stand out from the crowd: Parking becomes effortless with the advanced park feature. Utilizing ultrasonic sensors, the system detects parking spaces and assists in steering, making parallel and perpendicular parking a breeze. Sink into the lap of luxury with the semi aniline leather seats, meticulously crafted to provide the utmost comfort and support. Whether embarking on a long journey or a short commute, these seats envelop you in pure opulence.

Stay focused on the road ahead with the head-up display. Important driving information, such as speed, navigation instructions, and safety alerts, is projected onto the windshield, keeping you informed without diverting your attention from driving. Ensure the utmost comfort for your passengers with the ventilated 2nd-row seats. These seats provide cooling airflow to keep your passengers comfortable, even during long drives or hot weather conditions. The Lexus TX350 Executive 6 Seater offers the convenience and luxury of 2nd-row captain seats. These seats provide ample space and individual comfort for your passengers, creating a premium experience for everyone on board.
