SAHARA MOTORS GROUP

Experience power, precision, and practicality with the 2025 Toyota Land Cruiser 300 EXR — a vehicle built for drivers who crave confidence on any terrain. Its robust 1GR-FE V6 4.0 L petrol engine delivers an impressive 271 horsepower, backed by a 6-speed automatic transmission and a dependable 4x4 system. With seating for seven and a fuel tank capacity of 110 litres, this SUV is ideal for family adventures, long-distance travel, or off-road escapades. Whether in the city or out in the wild, the Toyota Land Cruiser 300 EXR is engineered to perform, built to last, and designed to impress.

Bold and rugged, the exterior of the 2025 Toyota Land Cruiser 300 EXR reflects its off-road DNA. Equipped with off-road front and rear bumpers, 18" alloy wheels, and LED headlights with DRLs and fog lamps, it stands tall and ready for any challenge. A power sunroof and sleek roof spoiler add a premium touch, while black roof rails and side steps enhance both functionality and style. Power-retractable side mirrors and headlamp levelling complete the look, combining rugged utility with refined sophistication. This SUV is built to turn heads — and conquer landscapes.

Step inside the 2025 Toyota Land Cruiser 300 EXR and enjoy a blend of comfort and technology designed around the driver and passengers. The spacious interior features tri-zone air conditioning, suede-fabric seating for seven, and a powered driver's seat for personalized comfort. A piano wood grain package and leather steering wheel add a luxurious feel, while the 8" touchscreen with six speakers, Apple CarPlay, and Android Auto ensures every journey stays connected. With thoughtful features like a 7" multi-information display, electric parking brake, and remote engine start via Toyota Connect, convenience comes standard.

Safety is a top priority in the 2025 Toyota Land Cruiser 300 EXR, offering a comprehensive suite of features to protect everyone on board. Dual front and knee airbags, ABS, Brake Assist, and advanced parking sensors (front and rear) provide essential protection in all conditions. Additional systems like Crawl Control, rear and centre differential locks, and Parking Support Brake (PKSB) ensure optimal stability and control off-road and in tight spaces. With Toyota's E-Call emergency system and a rearview camera, this SUV is equipped to keep you secure wherever your journey takes you.
