SAHARA MOTORS GROUP

The 2025 Toyota Land Cruiser 300 GRS V6 3.3L Diesel is a bold fusion of high-performance capability, cutting-edge safety technology, and luxurious comfort. Purpose-built for those who demand strength on every terrain and refinement in every detail, this full-size SUV brings together a twin-turbo diesel V6 engine, advanced 4WD systems, and Toyota's legendary durability. With a dynamic, aggressive exterior and a premium, feature-rich cabin, the Land Cruiser 300 GRS is as suited for long road trips as it is for rugged off-road adventures. Every journey becomes a statement of confidence, control, and contemporary style in this modern icon.

Inside the Land Cruiser 300 GRS, sophistication meets innovation. The cabin comfortably seats seven passengers with smooth leather upholstery, a 12.3-inch infotainment display, and a premium 14-speaker JBL audio system. Both front seats are power-adjustable, ventilated, and heated, complete with memory settings for personalized convenience. Rear passengers enjoy a dedicated entertainment system with 11.6-inch screens and wireless headphones. The console houses a cool box, while four-zone automatic climate control ensures optimum comfort for every occupant. Subtle details like ambient lounge lighting, an electrochromic rearview mirror, and a leather-wrapped steering wheel with multi-function controls reflect the SUV's upscale nature.

The Land Cruiser 300 GRS stands out with a distinctive, sporty exterior crafted for presence and practicality. Featuring GRS-specific bumpers, gloss black door handles, and a bold chrome front grille, this SUV exudes power. Sleek LED headlamps with sequential indicators, adaptive high beam, and headlamp washers add a modern, high-tech edge. 18-inch alloy wheels and a rear roof spoiler enhance its athletic profile, while functional touches like a power back door, roof rails, and multi-terrain 3D cameras ensure readiness for any environment. The striking design is finished with GRS emblems, sequential rear lamps, and durable aluminite side steps.

Designed with your safety and comfort at its core, the Land Cruiser 300 GRS is equipped with Toyota Safety Sense 3.0, featuring Pre-Collision System, Lane Departure Alert, Dynamic Radar Cruise Control, and Adaptive High Beam. Additional aids like Blind Spot Monitor, Rear Cross Traffic Alert, and multi-terrain 3D monitoring boost awareness on every drive. Inside, luxury features abound – ventilated and heated seats for both front and rear, four-zone climate control, a head-up display, and a wireless charger create a relaxing environment. The adaptive suspension system and drive mode selector promise exceptional comfort and confident handling anywhere.
