# SAHARA MOTORS GROUP

The 2025 Toyota Prado Adventure is built for those who demand both performance and versatility in a premium SUV. Powered by a responsive 2.8L turbocharged diesel engine, it produces an impressive 201 horsepower and a commanding 500 Nm of torque, giving it the strength to tackle challenging off-road trails and open highways with equal confidence. Paired with an advanced 8-speed automatic transmission and a full-time 4WD system with a transfer case (Hi/Low) and both central and rear differential locks, this vehicle delivers outstanding stability, traction, and control on any surface. With a fuel-efficient rating of 14.1 km/L and a massive 110-liter fuel tank, it is made for long-distance adventures without frequent refuelling stops. Whether you're navigating urban streets, mountain passes, or desert tracks, the Prado Adventure combines rugged reliability with modern engineering, making it the perfect companion for families, outdoor enthusiasts, and professionals needing a dependable, capable, and refined SUV.

The 2025 Prado Adventure pairs bold, athletic styling with practical utility and premium comfort. Its imposing exterior design features striking 18-inch alloy wheels, triple-projector LED headlights with LED daytime running lights, and a distinctive grey front grille that gives it a commanding road presence. Practical additions such as power-retractable black side mirrors, a power back door with glass open function, roof rails, a rear spoiler, mudguards, and a towing hitch enhance its capability for outdoor adventures and weekend getaways. Step inside, and you will find a spacious, tech-forward interior finished with synthetic leather seats, powered and ventilated front seats, and a leather steering wheel and shift knob. A 12.3-inch digital gauge cluster and display audio system with Apple CarPlay, USB-C ports, and HDMI support ensure seamless connectivity and entertainment for every passenger. Thoughtful details like a cool box, sun visors with illuminated vanity mirrors, and a wireless mobile charger elevate the experience for both driver and passengers.

Toyota has equipped the 2025 Prado Adventure with an impressive range of safety, driver-assist, and convenience features to ensure peace of mind and ease of operation in every situation. Standard are a comprehensive set of airbags, including front, side, curtain, and knee airbags for both driver and passenger, safeguarding occupants in the event of a collision. Advanced systems like Anti-lock Braking System (ABS), Vehicle Stability Control (VSC), Traction Control (TRC), and a Tire Pressure Monitoring System (TPMS) enhance road safety, while off-road technologies such as Crawl Control, Downhill Assist Control (DAC), and Multi-Terrain Select (MTS) optimize performance across various driving conditions. Features like Smart Entry with push-button start, parking sensors, a rearview mirror with integrated camera, and a built-in tire inflator offer practical convenience. Multiple USB-C ports across all three seating rows, a moonroof, wireless phone charger, and powered windows make every journey more comfortable, connected, and enjoyable for all passengers.
