SAHARA MOTORS GROUP

The 2025 Toyota Fortuner EXR+ 2.7L Petrol 4WD is built for families and adventurers who demand performance, practicality, and bold styling in one refined package. Its 2.7L 4-cylinder engine delivers 164 HP and 245 Nm of torque, paired with a 6-speed automatic transmission and part-time 4WD with high/low transfer case, making it ready for both urban commutes and weekend getaways. With an impressive 10.3 km/L fuel efficiency and an 80-liter fuel tank, it offers extended driving range without compromising power. The exterior design is both rugged and modern, featuring LED headlamps with auto-levelling, chrome door handles, and 18-inch alloy wheels that add premium presence. A rear spoiler, side steps, and power-retractable mirrors complete the Fortuner's bold, athletic look, making a confident statement wherever it goes.

Step inside the Fortuner EXR+ and you will find a cabin designed for comfort, control, and convenience. Leather seats, a vertically adjustable driver's seat, and a telescopic steering wheel ensure optimal comfort for every journey. The 8-inch touchscreen display offers seamless smartphone integration with Apple CarPlay, Digital Audio Broadcasting (DAB), and six crisp speakers, keeping you connected and entertained. Rear passengers benefit from dual USB-C fast charging ports, while the Multi-Information Display (MID) gives the driver clear, real-time updates. Thoughtful details like steering-mounted controls and a passenger-side door lock switch enhance the user experience. With seating for seven passengers, including flexible space for families or cargo, the Fortuner's cabin perfectly balances practicality with premium comfort, making it ideal for daily drives, family road trips, or off-road adventures.

The 2025 Fortuner EXR+ is designed to keep you and your passengers protected on every journey. It comes equipped with essential safety systems, including airbags for the driver, front passenger, and driver knee, Vehicle Stability Control (VSC), Traction Control (TRC), and Hill-Start Assist Control (HAC), perfect for tackling steep or slippery surfaces. The Tyre Pressure Warning System (TPWS) ensures you are always road-ready, while the anti-lock braking system (ABS) and engine immobilizer enhance on-road security. For added confidence, a 4-way camera system and rearview camera provide excellent visibility when parking or manoeuvring. Convenience features like engine start/stop button, cruise control, automatic air conditioning, and keyless entry streamline your daily routine. With a focus on user-friendly technology and comprehensive protection, the Fortuner EXR+ offers peace of mind and elevated convenience, making it a smart, reliable SUV for all lifestyles.
