SAHARA MOTORS GROUP

The 2025 Toyota Fortuner GXR Limited 2.7L Petrol 4WD is a robust, stylish, and capable SUV built to dominate both city roads and rugged terrain. Its commanding presence is defined by sharp LED Bi-Beam headlamps with auto levelling, a bold black-and-silver grille, and chrome-accented detailing like door handles and side mouldings. Roof rails, rear spoiler, overfenders, and side steps emphasize its sporty yet practical appeal. Designed for adventure, the part-time 4WD system paired with all-terrain 265/65 R17 tires ensures it handles rough roads confidently. The rear camera, parking sensors, and auto-retractable mirrors add convenience and safety. Whether parked in a city driveway or climbing rocky trails, the Fortuner GXR Limited stands out with its rugged looks and premium exterior enhancements.

Step inside the Fortuner GXR Limited and you're greeted by a refined cabin that blends durability with premium comfort. It offers seating for seven passengers with split-foldable second and third rows, enabling flexible space for passengers and cargo. The interior features practical fabric upholstery, wood trim accents, and a spacious console box, creating a refined yet functional layout. The 8-inch touchscreen infotainment system with 6 speakers, Bluetooth, USB, and AM/FM radio ensures seamless connectivity, while the wireless charger and fast-charging USB ports keep all devices powered. A height-adjustable driver seat, rear armrest with cup holders, and thoughtful touches like illuminated entry and auto climate control further enhance comfort. Whether for long journeys or daily commutes, the interior prioritizes passenger satisfaction and utility.

When it comes to safety and technology, the 2025 Fortuner GXR Limited delivers exceptional peace of mind. It comes equipped with advanced systems like ABS, Vehicle Stability Control (VSC), Hill-Start Assist (HAC), Trailer Sway Control (TSC), and Emergency Stop Signal (ESS). Driver and passenger airbags, including a driver's knee airbag, provide critical protection in a collision. The 4WD system with differential lock and auto-disconnect adds serious off-road capability, while paddle shifters and cruise control make highway driving smoother. Tech features like the rear-view monitor, tire pressure monitoring system, and LED daytime running lights enhance safety and driving awareness. Combined with comfort features like keyless entry, engine start/stop, and auto-folding mirrors, the Fortuner GXR Limited is a smart choice for families and adventurers alike.

A close-up photograph of a car's center console control panel. The panel is black with a textured surface. It features several buttons: a top row with three buttons (the left one has a 'P' and a sensor icon), a middle row with three buttons (the right one has a fuel pump icon), and a bottom row with two larger buttons. Two red arrows point from text labels to specific buttons: one points to the top-left button (labeled 'PARKING SENSORS') and the other points to the bottom-left button (labeled 'FUEL LID OPENER').
