SAHARA MOTORS GROUP

The 2025 Toyota Corolla Hybrid Elite is the top-of-the-line hybrid variant of the popular Corolla compact car. It features a 1.8L petrol engine paired with Toyota's hybrid electric drive system, providing a balance of efficiency and performance. The CVT transmission helps optimize power delivery and fuel economy. As a Euro 6 emissions-compliant model, it meets the stricter European emissions standards for reduced pollutant output compared to previous generations. This makes the 2025 Corolla Hybrid Elite an attractive choice for environmentally-conscious drivers in markets that have adopted the Euro 6 standard.

The 2025 Toyota Corolla Hybrid Elite is equipped with a 1.8L petrol-electric hybrid powertrain. It has an acceleration time of 10.76 seconds from 0 to 100 km/h. The top speed of this model is 160 km/h. The engine produces maximum power of 101 kW/138 PS at 5,200 RPM. The fuel tank capacity is 43 liters, and the WLTC fuel consumption is 4.07 L/100 km. The powertrain features a Euro VI emissions-compliant engine with a total torque output of 142 N.m. It has a 5-speed E-CVT (Electronically controlled Continuously Variable Transmission) and a front-wheel drive drivetrain architecture. The engine displacement is 2,487 cc with a 4-cylinder configuration, 80.5 mm cylinder bore, and 88.3 mm stroke. The compression ratio is 13:1. The electric motor provides an additional 70 kW/95 PS of power, and the battery pack is a ternary lithium-ion type.

The 2025 Toyota Corolla Hybrid Elite is a 4-door sedan with seating for 5 passengers. It has a turning circle of 5.4 meters. The front brakes are ventilated discs, while the rear brakes are standard disc brakes. It also has electronic brakeforce distribution (EBD), cornering brake control (CBC), electronic stability control (ESC/ESP), and anti-lock braking system (ABS). Other convenience features include a tire pressure monitoring system and a reverse camera. The steering wheel is made of plastic, while the seats are upholstered in fabric. Exterior highlights include LED headlights and an available sunroof. Overall, the 2025 Toyota Corolla Hybrid Elite provides a well-equipped, practical, and efficient hybrid driving experience in a sedan body style.
