# SAHARA MOTORS GROUP

The 2025 Toyota Prado TXL2 2.8L Diesel combines off-road strength with urban refinement, making it the perfect SUV for both adventure seekers and families. Powered by a fuel-efficient 2.8L 4-cylinder turbo diesel engine producing 201 HP and 500 Nm of torque, this full-time 4WD vehicle is built for rugged terrains and long-distance comfort alike. Its 8-speed automatic transmission, central differential lock, and high/low transfer case ensure it is ready for any road. The exterior is both bold and functional, featuring 18-inch alloy wheels, LED headlights with a distinctive rectangular design, fog lamps, roof rails, and a sleek rear spoiler. A silver front grille and body-coloured elements add a touch of sophistication, while the power back door and back door glass opening add everyday practicality.

Inside, the Prado TXL2 offers comfort, technology, and thoughtful design across all three rows. Seating for seven is wrapped in durable synthetic leather, with powered adjustment for the driver and ventilation/heating for front seats to ensure year-round comfort. A 12.3-inch display audio system with Apple CarPlay, 6 speakers, and USB-C + HDMI connectivity brings entertainment and navigation within easy reach. The 7-inch multi-information display provides real-time driving data, while front and rear automatic climate control keep the cabin perfectly balanced. Additional touches like leather on the steering wheel and shift knob, piano black door panels, illuminated sun visors, a cool box, and a tonneau cover elevate the sense of premium comfort. Every feature is built around the needs of modern drivers and passengers alike.

Toyota's focus on safety and convenience is evident in the Prado TXL2's comprehensive feature set. It includes 7 airbags (including curtain, side, and knee), vehicle stability control, traction control, ABS, hill-start assist, downhill assist, and a tire pressure monitoring system. The advanced Parking Support Brake system, along with front and rear sensors and a rear camera, enhances urban maneuvering. Smart entry, push-button start, and multiple drive modes (Eco, Normal, Sport) offer a driver-centric experience, while Crawl Control ensures traction on tough terrain. Convenience is further boosted with USB-C ports across all rows, a moonroof, anti-theft immobilizer, power windows, and a tilt/telescopic steering wheel. Whether navigating city streets or remote trails, the 2025 Prado TXL2 offers unmatched reliability, protection, and comfort in every journey.
