SAHARA MOTORS GROUP

The 2025 Toyota Land Cruiser 300 Hybrid VX V6 is the ultimate blend of rugged performance, refined luxury, and advanced hybrid efficiency. Powered by a robust 3.5L V6 twin-turbo hybrid engine, delivering 457 HP and 790 Nm of torque, it is built to conquer any terrain with full-time 4WD, a 10-speed automatic transmission, and locking front, centre, and rear differentials. But it is not just about power, this Land Cruiser exudes style and presence. Its bold design includes 20-inch alloy wheels, LED projector headlights with auto levelling, a chrome grille, and illuminated side steps. The rear chrome bumper guard and integrated roof rails offer both function and flair, while sequential signal lights and a rear spoiler complete the sophisticated exterior package.

Step inside and experience first-class comfort designed for up to seven passengers. Premium leather seats with power adjustment and memory for the driver create a luxurious feel from the moment you sit down. The cabin is a tech haven with a fully digital 12.3-inch gauge cluster, a massive 12.3-inch infotainment display with navigation, Apple CarPlay, and 14 JBL speakers for immersive audio. Rear passengers are treated to their own entertainment system with dual screens and wireless headphones. Add four-zone climate control, a cool box, wood trim, USB and HDMI ports across all rows, and a wireless phone charger, and this SUV becomes a mobile luxury lounge designed for both adventure and relaxation.

The Land Cruiser 300 VX does not just protect, it anticipates. Packed with Toyota Safety Sense (TSS), it includes adaptive cruise control, lane tracing assist, blind spot monitoring, and a pre-collision system. Parking is effortless with a panoramic 4-camera system, front and rear sensors, and a powered tailgate. Advanced systems like Crawl Control, Multi-Terrain Select, and Turn Assist ensure confident off-roading, while daily commutes are elevated by smart entry, push-button start, and remote engine starter. With safety features including 10 airbags, a tyre pressure monitoring system, and rear cross traffic alert, peace of mind comes standard. For families, explorers, and luxury seekers alike, this Land Cruiser is a statement of capability, innovation, and class.
