SAHARA MOTORS GROUP

The 2025 Toyota Land Cruiser 300 GXR V is a powerful SUV equipped with a 3.3L V6 diesel engine and an automatic transmission, delivering around 302 horsepower and impressive torque for both on-road comfort and off-road adventures. Its roomy 7-seat layout features a high-quality interior with contemporary finishes and advanced infotainment options like Apple CarPlay and Android Auto. Safety is a key focus, highlighted by Toyota Safety Sense, which includes adaptive cruise control and lane-keeping assist, while off-road capabilities are further enhanced by multi-terrain select and traction control systems. This blend of features makes the Land Cruiser an excellent choice for families and explorers looking for a combination of luxury, technology, and rugged performance.

The vehicle is powered by a 3.3L V6 DOHC EFI engine with dual VVT-i, complying with Euro 4 standards (without OBD). It produces 302 horsepower at 4,500 RPM and generates 71 kg-m of torque (SAE net). Designed for versatility, it features a 7-seater configuration with a third row that includes two manually folding reclining seats. The tires are robust 245/75R17 steel, providing stability and durability on various terrains. Safety is a priority, with advanced systems such as ABS, BA, VSC, ATRC, TSC, and HAC integrated for enhanced control. Additionally, the vehicle includes accessory connectors, featuring one in the front (DC12), one in the rear (DC12), and one on the deck (DC12). This combination of performance, comfort, and safety makes it an excellent choice for families and adventurers alike. Overall, it balances power and practicality seamlessly.

The LC 300 GXR V 3.3L features luxurious leather seating, a leather and wood steering wheel, and a power passenger seat with synthetic leather. Safety is prioritized with multiple airbags, an anti-theft system, and advanced parking sensors. Comfort is enhanced by a moon roof, wireless charging, and a rear seat entertainment system. The exterior includes stylish LED lighting, aero-designed mudguards, and protective moulding. Additional conveniences feature an auto suction door, power back door, and an overhead console with moonroof. This model combines sophistication with practicality for an exceptional driving experience.
