SAHARA MOTORS GROUP

The 2026 Toyota Fortuner GX 2.7L Petrol 4WD is built for drivers who want a perfect blend of reliability, strength, and modern design. Powered by a refined 2.7-liter 4-cylinder engine delivering 164 HP, this Fortuner offers smooth performance whether you're navigating city streets or tackling weekend adventures. Its bold stance is enhanced by LED headlamps with auto levelling, a stylish rear spoiler, and chrome outside door handles that elevate its premium presence. Practical exterior features like powered and retractable side mirrors, side steps, and keyless remote entry make every trip more convenient. With part-time 4WD and an 80L fuel tank, this SUV is ready for any journey—long-distance travel, family outings, or rugged terrain.

Step inside and you will immediately appreciate the Fortuner GX's spacious 7-seat cabin, built to ensure comfort for every passenger. Its fabric seats are durable and supportive, while the driver benefits from a vertical seat adjuster and telescopic steering wheel for a perfectly tailored driving position. The cabin stays connected and entertaining thanks to its 8-inch Connected Display Audio (C-DA) system featuring Apple CarPlay and DAB radio, paired with a six-speaker setup for clear, immersive sound. Thoughtful touches like rear dual USB Type-C fast chargers, steering wheel controls, and a practical multi-information display enhance convenience and modern usability for both driver and passengers.

The 2026 Toyota Fortuner GX prioritizes your family's safety with essential protective features including dual front airbags plus a driver's knee airbag, ABS, Vehicle Stability Control, Traction Control, Hill-Start Assist, and a tire pressure warning system. These systems work together to ensure confidence on every drive, whether climbing steep hills, cruising highways, or navigating slippery conditions. Convenience is equally emphasized with features like cruise control, a rear-view camera for effortless parking, and an engine start/stop button for a premium, push-to-go experience. With its robust safety suite, user-friendly technology, and Toyota's trusted durability, the Fortuner GX stands out as a smart, dependable, and value-packed choice for families and adventurers alike.
