# SAHARA MOTORS GROUP

The 2026 Toyota Granvia Premium V6 is the perfect expression of luxury, power, and presence, designed for those who demand more from every journey. Powered by a robust 3.5L V6 petrol engine producing 268 HP, this premium 6-seater delivers smooth yet confident performance through a 6-speed automatic transmission. Its bold exterior is elevated with LED headlamps, LED fog lamps, chrome front grille, chrome door handles, and a premium rear badge that reflects its executive character. Stylish 17-inch alloy wheels, coloured bumpers, rear spoiler, and LED clearance lamps complete a refined yet commanding road presence, making the Granvia equally impressive for business travel, family use, or VIP transportation.

Step inside the Toyota Granvia Premium and experience a cabin crafted for ultimate comfort and sophistication. The spacious 6-seater layout features luxurious captain seats in both rear rows, complete with power adjustment, ottomans, heating, and long-slide functionality for first-class comfort. Premium leather upholstery with quilting, woodgrain accents, satin chrome garnishes, and piano black trims create a refined ambiance throughout the cabin. Advanced features like a large 8-inch navigation system with Bluetooth, Apple CarPlay, and Android Auto paired with a 12-speaker audio system ensure an immersive experience. Ambient LED lighting with multiple colour options, panoramic visibility, retractable tables, and dual-zone climate control further enhance comfort for every passenger.

The 2026 Granvia Premium is engineered to deliver peace of mind alongside luxury. Equipped with advanced safety systems such as Vehicle Stability Control, Brake Assist, Blind Spot Monitoring, Rear Cross Traffic Alert, and a Panoramic View Monitor, it ensures confident driving in all conditions. Front and rear parking sensors, LED high-mount stop lamps, multiple airbags including driver knee airbag, and child restraint systems enhance occupant protection. Convenience is elevated through power sliding doors, power driver seat, cruise control, auto windshield wipers, and smart entry features. Nanoe ionizers improve cabin air quality, while thoughtful additions like rear sunshades, powered mirrors, and automatic climate control make every drive effortless, secure, and truly premium.

The image shows the interior of a luxury SUV, specifically the rear passenger area. The seats are upholstered in dark leather with a quilted pattern. The seats are arranged in a 2-2-2 configuration. The interior features high-quality materials, including leather and wood trim. The windows are large, providing a view of a mountainous landscape. The overall atmosphere is one of luxury and comfort.
