# SAHARA MOTORS GROUP

The 2026 Toyota Land Cruiser GXR V2 V6 Petrol is built for drivers who value legendary reliability, powerful performance, and commanding road presence. Its proven 4.0L V6 engine delivers 271 horsepower, ensuring smooth acceleration and dependable strength both on-road and off-road. Designed with full-time 4WD and advanced differential locks, this Land Cruiser is ready for desert dunes, mountain trails, and daily city driving alike. The exterior blends rugged elegance with modern styling, featuring a chrome and silver grille, LED headlamps with daytime running lights, LED fog lamps, roof spoiler, and bold 20-inch alloy wheels fitted with Dunlop tires. Colour-keyed aero bumpers, side steps, roof rails, and auto suction doors complete a confident, premium SUV appearance.

Inside, the Land Cruiser GXR V2 offers a refined and spacious cabin tailored for comfort and versatility. The seven-seat layout is upholstered in premium synthetic leather, complemented by brown woodgrain accents on the steering wheel, console, and door trims. Power-adjustable front seats with seat air conditioning, dual-zone automatic climate control, rear automatic A/C, and a built-in cool box ensure every journey is comfortable, even in extreme climates. A large 12-inch infotainment display, 7-inch multi-information screen, wireless charging, and rear 12.3-inch entertainment system keep all passengers connected and entertained. Flexible 40:20:40 second-row seating and flat-folding third row allow the interior to adapt effortlessly to family travel, business use, or cargo needs.

Safety and technology are at the heart of the 2026 Land Cruiser GXR V2, offering confidence in every driving situation. Toyota Safety Sense 3 delivers advanced driver assistance, including Pre-Collision System, Dynamic Radar Cruise Control, Lane Tracing Assist, Lane Departure Alert, Automatic High Beam, and Rear Cross Traffic Alert. Full-time 4WD with Crawl Control, Downhill Assist, and Trailer Assist ensures total control on challenging terrain. Multiple airbags, 360-degree camera, parking sensors, tire pressure monitoring, and child restraint systems provide comprehensive protection. Everyday convenience is enhanced with smart entry, push-button start, remote engine start, power tailgate with easy closer, electric parking brake, and cruise control, making this Land Cruiser a perfect blend of power, safety, and luxury.
