# SAHARA MOTORS GROUP

The 2026 Toyota Hilux Double Cab Pickup is a robust and reliable vehicle designed for versatility and performance. Powered by a 2.7L VVT-i petrol engine with 4 cylinders, it delivers maximum output of 164 horsepower at 5200 RPM and a torque of 245 Nm at 4000 RPM. The pickup truck features a 6-speed automatic transmission for smooth and efficient gear shifts. Equipped with four-wheel drive (4x4) capability, the Toyota Hilux is ready to conquer challenging terrains with ease. It comes with a fuel tank capacity of 80 liters, providing ample range for long-distance journeys. The fuel economy is rated at 10.4 km/l, ensuring fuel efficiency without compromising on performance. 2025 Toyota Hilux Double Cab Pickup offers a combination of power, durability, and practicality. It is an ideal choice for those seeking a versatile and capable vehicle for both work and leisure purposes.

The Toyota Hilux is equipped with a range of practical and functional features. The steering wheel-mounted controls allow for easy access to various functions without taking your hands off the wheel. The power windows are automatic, offering convenience for all doors. On the exterior, the Toyota Hilux features 17-inch wheels with 265/65R17 tires, providing excellent traction and stability. It comes with mud guards for both the front and rear, protecting the vehicle from debris and dirt. The pickup is equipped with a front steel bumper, halogen headlamps, rear lamps, and a stop lamp on the deck door. The power side mirrors come with turn signal lamps, improving visibility and safety.

The pickup has a seating capacity for five passengers, including the driver. The seats are upholstered in comfortable fabric material. The air conditioning system is manual, allowing occupants to adjust the temperature according to their preference. The front seats are separate, providing individual comfort for both the driver and the front passenger. Convenient features such as front cup holders and a sliding back window enhance the overall experience. Safety is a priority in the Toyota Hilux. It comes with airbags for the driver, front passenger, and knee airbag for the driver, ensuring protection in the event of a collision. The pickup is equipped with an anti-lock brake system (ABS), electronic brake-force distribution (EBD), and a tire pressure warning system (TPWS) for enhanced safety and control on the road.
