SAHARA MOTORS GROUP

The Hilux Toyota Pickup 2026 is a stunning combination of performance and versatility, designed for both adventure seekers and everyday drivers. Under the hood, it boasts a 2.7L petrol engine (model code TGN126L-DTTHKV) that delivers a robust 164 horsepower and 25 kgm of torque. This pickup features a 6-speed automatic transmission and a part-time 4WD system, ensuring excellent traction and control whether you're navigating urban environments or tackling off-road challenges. With an 80-liter fuel tank, the Hilux is ready for long journeys without frequent stops at the pump.

On the exterior, the 2026 Hilux is designed to make a statement. Its bold front grille, LED headlamps with auto-leveling, and chrome-plated accents create a striking appearance. Practical features such as a bedliner, side steps, and a rear fog lamp enhance its functionality, while the durable construction ensures it can handle tough conditions. With added amenities like a back view camera and tire pressure monitoring system, the Toyota Hilux Double Cab Pickup GLXS-G is an excellent choice for those who value reliability and capability in their vehicle. Whether you're heading to work or embarking on a weekend adventure, this pickup is ready for whatever comes next.

Inside, the GLXS-G offers a spacious and comfortable cabin that accommodates up to five passengers. The superior fabric seats provide both support and style, complemented by a range of modern features including an 8-inch display audio system with USB and Bluetooth connectivity. Drivers will appreciate the advanced safety features, such as multiple airbags, ABS with EBD and BA, and various stability controls that enhance confidence on the road. The attention to detail is evident, from the leather shift lever knob with silver accents to the conveniently placed cup holders and digital clock.
