# SAHARA MOTORS GROUP

The 2026 Nissan Patrol LE Type 2 is a commanding 8-seater SUV that blends rugged capability with refined comfort, powered by a smooth V6 3.5L petrol engine paired to an advanced automatic transmission and full-time AWD for confident performance on- and off-road; its spacious, intelligently packaged cabin features premium materials, modern connectivity and safety technologies, and versatile seating with ample cargo room, while exterior styling balances bold presence and aerodynamic lines, making it a practical yet upscale choice for families and adventurers who need durability, towing capability, and everyday driving refinement.

The 2026 Nissan Patrol LE Type 2 is powered by a 3.5L VR35 V6 engine mated to a 9-speed automatic transmission and full-time AWD. The cabin is trimmed in synthetic leather and equipped with a classic 6-speaker audio system. The driver enjoys a standard power 8-way seat with sliding, reclining, height and tilt adjustments, while the front passenger has a power 4-way seat with sliding, reclining and a seat-back pocket. The second-row is a manual bench with 40:20:40 split, reclining, manual pitch-slide and single-folding functionality, and the third row is a fixed bench with individual manual reclining and manual folding. Interior protection includes front, rear and trunk/luggage resin coverings with a pre-harness for illumination. Safety and convenience features include central door locking with speed-sensing auto-lock, impact-sensing unlock, manual rear door child locks, and a power tailgate with auto-closer and handle/pull strap. Braking and stability systems comprise ventilated front and rear disc brakes, ABS, Hill Descent Control, Hill Start Assist and Vehicle Dynamics Control.

Seating eight, the 2026 Nissan Patrol LE Type 2 comes loaded with advanced lighting and convenience features including full LED illumination (LED low/high beams, LED signature, LED DRLs, front/rear LED lamps, LED brake lamp and LED 3rd brake lamp), 3-blink turn signals, LED indicators on the side mirrors and a rear fog lamp, plus Auto Light System (ALS) with delay timer. Exterior mirrors offer electric adjustment and folding with automatic folding functionality. The windscreen is tinted with IR cut protection. Inside there's a 12.3" display and an outside temperature meter; the steering column provides manual tilt/height and manual telescopic/in-depth adjustment. Safety and ease-of-use features include an electric parking brake (EPB) with Auto Hold, powered front windows with auto reverse and one-touch up/down for driver and front passenger, waterproofing and timer function, sun visors with mirror, ticket holder and LED extension with auto compass, and off-road aids such as a clinometer, slip indicator and steering angle indicator.
