SAHARA MOTORS GROUP

The 2026 Mitsubishi L200 Double Cab Pickup GLS is a robust vehicle designed for both urban and off-road adventures. Featuring a powerful 2.4L petrol engine, this 4WD manual transmission pickup offers exceptional performance and reliability. Its spacious double cab accommodates up to five passengers comfortably, making it ideal for family outings or work-related tasks. With a strong chassis and advanced suspension system, the LC200 ensures a smooth ride on various terrains, while its modern design incorporates practical features and technological enhancements for convenience and safety. Whether navigating city streets or rugged landscapes, the L200 combines versatility with durability, making it a top choice for those seeking a dependable pickup truck.

It features sports-type separate fabric seats in the front with manual sliding and reclining adjustments, while the rear offers low back bench seats equipped with two head restraints. Convenience is enhanced with a remote keyless entry system that includes two keys with protectors. The tilt and telescopic urethane-wrapped three-spoke steering wheel incorporates audio control switches for added ease of use. Entertainment options include an AM/FM CD player with four speakers and a USB charging outlet, along with Bluetooth wireless technology for hands-free communication. An air circulator ensures comfort for rear passengers, complemented by a manual A/C system capable of handling extra hot zones, along with a heater. Additional features include a urethane-wrapped transmission knob and parking brake lever, a 3.5-inch multi-info display showing the speedometer, rheostat, tachometer, and odometer, as well as black inner door handles.

The exterior of the 2026 Mitsubishi L200 Double Cab Pickup GLS boasts a stylish design with daytime running lights, a color-keyed front bumper with a bright garnish, and chrome accents on the door handles and mirrors. It features an electrically adjustable front grille mirror, UV-reducing windshield glass, and halogen headlamps. Additional elements include LED fog lamps, side steps, front rain-sensing wipers, and protective under covers. The vehicle is equipped with 265/60 R18 tires on 18-inch alloy wheels and has a fuel capacity of 75 liters. Safety features include speed-sensing central locking, hill start assist, antilock brakes, and two SRS airbags, ensuring a secure and comfortable driving experience.
