SAHARA MOTORS GROUP

The 2026 Model Toyota Hilux Double Cab Pickup GLXS-G1 is a rugged and versatile 4WD pickup built to handle everyday driving as well as challenging roads. Powered by a 2.7L petrol engine, it delivers a confident, practical performance for hauling, work tasks, and adventurous trips, while the 4WD system helps maintain traction on rough surfaces, wet weather, and uneven terrain. Designed in a double cab layout, it provides extra passenger space for family or friends alongside the pickup's cargo utility, making it a great all-round vehicle for both work and lifestyle use. With manual transmission, the Hilux offers more driver control and a more engaging driving feel, which can be especially useful when navigating hills, dirt roads, or changing road conditions. Overall, the GLXS-G1 stands out as a dependable, capable Toyota pickup aimed at buyers who want strength, comfort, and everyday usability in one vehicle.

The Model Code TGN126L-DTMHKV Toyota Hilux is equipped with a 2TR-FE 2.7L 4-cylinder petrol engine with VVT-i (Euro 4), producing a maximum output of 164 HP at 5200 RPM and delivering maximum torque of 245 Nm at 4000 RPM. It comes with a 5-speed manual transmission and a Four Wheel Drive (4x4) drive system for improved traction and control. The vehicle has an 80-liter fuel tank, with a stated fuel economy of 9.9 km/L, making it suitable for both city travel and longer journeys. Designed to seat 5 passengers (including the driver), it features 17-inch black wheels fitted with 265/65R17 tyres, giving it a strong and rugged stance.

The Toyota Hilux is equipped with a range of practical exterior and interior features designed for comfort, convenience, and safety. It includes LED fog lamps, LED headlamps, and LED rear lamps, along with a stop lamp on the deck door, power side mirrors, a bed liner with a rear suspension leaf spring setup, and side steps for easier access. Inside, it comes with fabric seats, an overhead console, front separate seats plus front cup holders, a glove box, and a steering wheel mounted control system, along with a 4.2-inch multi-information display. For everyday usability, it offers automatic power windows for all doors, front passenger door lock, and a sliding back window. The infotainment includes a connected display audio (C-DA) 8-inch touch screen, Apple CarPlay, DAB radio, USB-A port, and 4 speakers. Driver assistance and comfort features include cruise control, drive mode selection (ECO / PWR), and safety technologies such as ABS with EBD, vehicle stability control (VSC), hill-start assist control (HAC), tire pressure warning system (TPWS), and multiple airbags (driver & front passenger + knee airbag for driver), along with a rear camera for added parking and reversing confidence.
