SAHARA MOTORS DUBAI

The 2026 Lexus RX350 Elite 2.4L is a premium five-seater SUV that combines powerful performance, refined comfort, advanced safety, and modern technology. Powered by a 2.4L turbocharged four-cylinder, 16-valve DOHC engine, it produces 274 HP at 6,000 RPM and 430 Nm of torque from 1,700–3,600 RPM. The 8-speed automatic transmission delivers smooth and responsive power, while the all-wheel-drive system provides confident traction across different driving conditions. The RX350 Elite also features electric power steering, adaptive variable suspension (AVS), electronically controlled brakes, ABS with brake assist, traction control, VSC, hill-start assist, and three selectable driving modes including Eco, Normal, and Sport.

Inside, the 2026 Lexus RX350 Elite offers a luxurious five-seat cabin with semi-aniline leather upholstery, power-adjustable front seats, memory function, 4-way lumbar support, and heated front and rear seats. Comfort and convenience features include a three-zone S-Flow air conditioning system, power reclining rear seats, folding rear seats, wireless charging, multi-colour illuminated entry, power windows, power door locks, leather steering wheel with paddle shifters, power tilt and telescopic steering column, and a power back door with kick-open function. The cabin also features a 14-inch EMV navigation system, 12-speaker audio system, 12.3-inch-class display technology, head-up display, and intelligent parking assistance for a convenient and premium driving experience.

The exterior of the 2026 Lexus RX350 Elite combines elegant styling with practical and advanced equipment, including 21-inch alloy wheels with 235/50R21 Bridgestone tyres, LED headlights with Automatic High Beam, LED rear combination lamps, LED daytime running lights, front fog and driving lamps, shark-fin antenna, rain-sensing wipers, power-folding mirrors with Blind Spot Monitor and Panoramic View Monitor, and a power rear spoiler. The SUV also features a moonroof, painted wheel-arch mouldings, front and rear mudguards, parking support sensors, and a rear camera system. With its premium design, advanced driver-assistance technologies, and spacious five-seat configuration, the RX350 Elite delivers a sophisticated balance of performance, comfort, and everyday practicality.
